## EBooks

20<sup>th</sup> July 2016

Dear Parents / Guardians,

To further support 21<sup>st</sup> Century Learning, Greenway Park now has access to eBooks. eBooks are digital books which can be read on various devices. Students from Years 2-6 will be able to access a number of books of various genres and reading levels on their devices or desktop computers.

This will provide students with the opportunity to borrow age appropriate books on their device more frequently and at any time.

Below are instructions for accessing the eBooks on devices as well as desktops.

If your child does not know their log in or experiences any difficulties while trying to log in please speak to Ms Cristofoli.

An information session will be provided for parents in the library on Monday 25<sup>th</sup> July at 8.30am. All parents are welcome to attend this information session.

Feedback about the ebooks is welcome.
