

Greenway Park's Harmony Day Celebration

Monday 8th April 2024

Harmony Day is a celebration of Australia's diversity. Greenway Park Public School has always been proud of its cultural diversity and embraces the values of tolerance, justice, fairness and friendship that are so important to the concept of harmony.

We will celebrate Harmony Day on Monday 8th April 2024. This will be our opportunity to celebrate our school's success as a multicultural community. Australia is one of the most successful multicultural countries in the world and we should celebrate this and work to maintain its success.

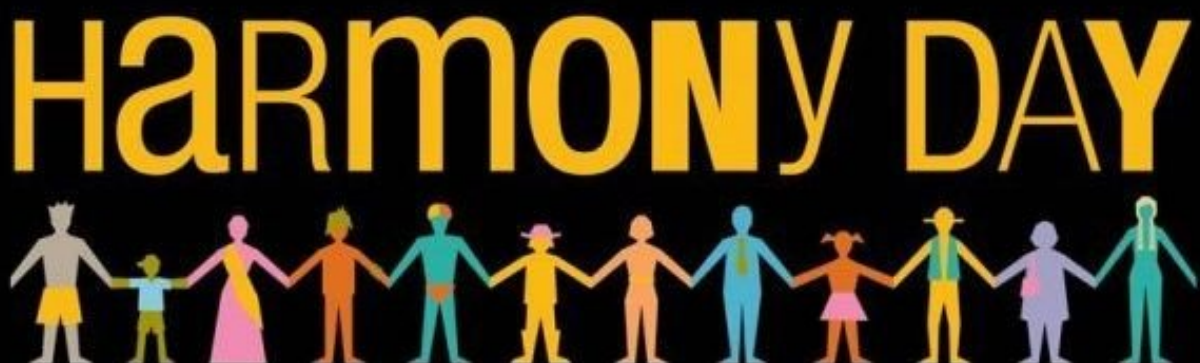

We have asked the children and staff to wear **orange mufti or come to school in their cultural dress**. Orange is the colour chosen to represent Harmony Day. Orange signifies social communication and meaningful conversations. It also relates to the freedom of ideas and encouragement of mutual respect.

Students will be completing a variety of different tasks in their classes to recognise the significance of Harmony Day, which will include hearing from others that have grown up in different parts of the world. In the lead up to Harmony Day, students have also been busy creating art works that represent what Harmony Day means to them as part of our first school Harmony Day Art Competition. Winners for this competition will be announced on Harmony Day at the morning assembly.

On the day, our **Year 6 students will be selling orange snow cones at a cost of \$3**. Students will need to bring their money on the day and purchase their snow cones at lunchtime.

Many thanks for your ongoing support. We look forward to celebrating this wonderful day with our students.
